The register shall be updated after each general meeting by the Secretary or the Secretary's nominee. A special meeting shall be called by the Secretary at any time upon written request signed by at least 10 members or on the authority of the Executive Committee. The special meeting shall be held within one
month of the date the Secretary receives the request or is given the authority. Members shall be given at least seven days’ notice of the meeting which notice shall also state the business of the meeting.

10. Quorum

Where the association has a current membership of 50 or more, the quorum at all meetings of that association shall be 11 members. Where the association has a current membership of less than 50, the quorum shall be set according to the rules of the association but shall not be less than five.

11. Subscriptions

The annual subscription shall be set by the rules but shall not be less than 50 cents.

12. Subcommittees

The association may establish subcommittees, however styled, to carry out specific functions on its behalf. Any subcommittees that are established shall report regularly at meetings of the association and follow any directions received from the association. The association may dissolve a subcommittee at any time. Any funds raised or handled by a subcommittee shall be, for all purposes, funds of the association.

13. Dissolution

(a) The association may be dissolved in terms of a resolution carried at a General Meeting or a Special Meeting of members, providing at least seven days’ notice has been given to members and subject to the concurrence of the Minister for Education and Training, or otherwise at the Minister’s discretion.

(b) The association shall be dissolved if the number of members falls below the quorum or the school to which the association is attached is closed.

(c) Where the association is dissolved minute books, audited accounts and other records, together with the residue of funds, shall be given to a kindred organisation or the Department of Education as determined by a resolution of members. The transmission shall occur within two months of the dissolution and only after the books of account have been audited as provided under Clause 15.

(d) Where the association is dissolved, assets and funds on hand after payment of all expenses and liabilities shall not be paid to or distributed among the members.

The association shall make such rules as are required to carry out its functions. The rules shall not contravene the terms of this constitution or the Education Act, 1990. The rules may be adopted, altered or withdrawn according to a simple majority vote at any meeting of the association for which a month's notice has been given. Such notice shall include details of the proposed changes. The rules shall provide for the procedure to be followed:

(a) at meetings of the association;
(b) to convene a substitute meeting when a quorum is not attained at a meeting; and
(c) in making an application for membership.

15. Accounts

The funds of the association shall be banked in the name of the association with any institution holding trustee status within the meaning of the Trustee Act, 1925, provided interest is allowed on the balance. The account shall be operated by two or more officers of the association delegated in that behalf by the
association. No commitment shall be entered into for the expenditure of association funds, except by resolution of a meeting of the association. The association must make such financial reports about its affairs (including reports of its auditors) as are required by its rules or by the Minister for Education and Training.

Rules

1. These rules are made under the constitution of Parramatta East Public School Parents and Citizens’ Association.

2. The association is formed for the benefit of the pupils of the school and to that end it will:
   (a) participate as much as possible in the activities of the school and communicate with all members of the school community;
   (b) co-operate in the activities of the Federation of Parents and Citizens’ Associations of New South Wales, and District Councils; and
   (c) do such other things as may promote the interests of public education.

3. The financial year of the association shall close on 30 November each year.

   Note: This is to allow alignment with the Annual General Meeting (AGM) cycle and also as per Clause 7 of the Constitution, to allow audited accounts to go to the AGM.

4. The annual general meeting of the association will be held in March of each year, in conjunction with and preceding the ordinary general meeting for that month. The agenda of the annual general meeting shall include setting the membership fee of the association for the ensuing year.

5. No person will serve more than three consecutive years in the same position.

6. A general meeting of the association will be held on the third Monday of each month during term time at 7 pm.

7. Any person eligible for membership according to the legislative terms relevant to the P&C association and the Education Act, may become a member or renew membership by paying the required membership fee of $0.50 to the Treasurer, or nominee of the Treasurer, after any general meeting. Membership will remain current until the close of the annual general meeting in the following year. The Secretary or the Secretary’s Nominee shall be responsible for maintaining an up-to-date register of membership.

   Note: The provisions of this rule to do with membership. For insurance purposes the categories of “member” and “volunteer” are distinct. A list of members is a legal necessity. For insurance purposes each association is strongly advised to maintain a list of occasions on which there are volunteers working on its behalf. It is preferable that there be a list of names of volunteers, who need not be members, associated with each occasion.
8. For the purpose of Clause 4 of the constitution, the register of members shall be updated immediately following the close of each general and annual meeting. That is, payment of the membership fee must be made by the close of one meeting so that the member is eligible to exercise membership rights (e.g. vote) at the next meeting.

Note: It is in the member's interest to obtain a receipt at the time of payment.

Due to the fact that the membership register is not updated until after each general meeting, new members are not eligible to vote at the meeting at which their membership has been paid.

If a new member pays their fee to the Treasurer in between meetings, they are still not deemed financial until the close of the next general meeting. In other words, new members can only vote at their 2nd meeting. This would mean if a person pays at meeting 1, they can vote at meeting 2; if a person pays in between meeting 1 and 2, they can vote at meeting 3.

All financial members have the right to stand for office, move motions and vote.

9. At a general meeting the quorum will be in accord with Clause 10 of the constitution. Where that rule does not specify a number the number will be five.

10. If a meeting for which due notice has been given does not achieve a quorum within 15 minutes of the advertised starting time the Secretary will, or in the absence of a Secretary remaining members of the Executive will call a further meeting and failing that any five members of the Association may call a further meeting with a lapse of not more than 28 days of term time to carry on the business of the association.

11. In the absence of the Secretary the remaining members of the Executive or any five members of the association may call any meeting that is required, giving due notice of the business proposed for the meeting.

12. All meetings of the association will be conducted in accordance with the appropriate By-Laws of P&C Federation "Standing Orders for the Conduct of All Meetings".

13. The order of business shall follow that for P&C Federation Council, Standing Order IC, Unfinished business on notice at the previous meeting shall be dealt with as "IC(c) Matters arising from the Minutes."

Note: Some associations have considered it necessary to have some protection against a meeting being “stacked”. It is probably sufficient protection if a quorum of the membership has the power to require that any particular item of new business introduced without prior notice at a meeting be placed on notice for a further meeting.

14. As well as the provisions of P&C Federation Standing Order "Notices of Motion", a group of members of the association equal to the quorum for the meeting may require that particular items of new business without notice be placed on notice for the next meeting.
15. The association may elect representatives to a subcommittee or other role who will be responsible to the association in the same way that Federation representatives are responsible to P&C Federation under Section 114 of P&C Federation Policy. The association may decide at the time of election what form of reporting is required.

16. A general meeting of the association may declare any Officer who has been absent for three successive meetings, as set out in P&C Federation By-Law 4 (r)(iii), to have vacated their position and to have created a casual vacancy to be dealt with by means of Rule 6 of the constitution.

17. The signatories of all P&C accounts who are executives of the current year can continue to be signatories. Current P&C accounts are set up as such that any two of the signatories can sign for cheques.

Note: Associations must ensure that important and irregular financial decisions are brought to the attention of members and all expenditure, beyond normal running costs, receives majority support from members at a general or special meeting.

18. Any motion to expend association monies must be placed on notice for the meeting at which it is to be considered. The provisions of such a sample rule should not hamper subcommittees from expending those monies necessary for normal and reasonable running costs. In fact, a subcommittee's powers to expend monies should be defined by the association when the subcommittee is set up, eg. an auxiliary may need to buy materials for fundraising activities. Under the guidelines for incorporation, all funds belong to the association and expenditure must be authorised by the association. A subcommittee must not expend funds for any purpose outside those allowed by the association. There is nothing, however, to prevent an association setting up a subcommittee to raise funds for some particular goal, or a subcommittee recommending a particular use for the funds it has been raised.

19. The association may confer the honour of Life Membership on a member who has made an outstanding contribution to the work of the association. Life Members may attend and speak at meetings but are not entitled to vote or to hold office unless they are also ordinary members in terms of Rule 4 in these rules.
